PART I.

DESCRIPTION OF BONDS

SECTION 1. The Bonds of 2013 Series shall, subject to the provisions of Section 1 of Article II of the Original Indenture as amended, be designated as "First Mortgage Bonds, 4.95% Collateral Series due November 15, 2013" of the Company. The Bonds of 2013 Series shall be executed, authenticated and delivered in accordance with the provisions of, and shall in all respects be subject to, all of the terms, conditions and covenants of the Original Indenture as amended, except in so far as the terms and provisions of the Original Indenture as amended are amended or modified by this Supplemental Indenture.

The Bonds of 2013 Series shall mature on November 15, 2013, and shall bear interest at the rate of four and ninety-five hundredths percent (4.95%) per annum, payable semiannually, commencing May 15, 2004, on the fifteenth day of May and the fifteenth day of November in each year (each such May 15 and November 15 being hereinafter called an "interest payment date") until the principal thereof is paid or made available for payment. The Bonds of 2013 Series shall be payable as to principal and interest in lawful money of the United States of America, and shall be payable (as well the interest as the principal thereof) at the Agency of the Company in the Borough of Manhattan, The City of New York.

Each Bond of 2013 Series is to be issued to and registered in the name of the Senior Note Trustee, to be owned and held by the Senior Note Trustee under the terms of the Senior Note Indenture for the benefit of the holders of the Senior Notes of 2013 Series in order to secure the Company's obligations under the Senior Notes of 2013 Series. The Bonds of 2013 Series shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

Upon any payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of the 2013 Series (and to the extent of such payment), whether at maturity or prior to maturity by redemption or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the Bonds of the 2013 Series shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively assume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the Bonds of the 2013 Series, so far as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior

Note Trustee signed by one of its officers stating (i) that timely payment of principal of or premium or interest on, the Senior Notes of the 2013 Series has not been so made and (ii) providing the details of such nonpayment.

Subject to the preceding paragraph, the interest payable on any interest payment date shall be paid to the persons in whose names the Bonds of 2013 Series are registered at the close of business on the first calendar day of the month in which such interest payment date occurs (hereinafter called the "record date"); provided, however, that interest payable at maturity will be paid to the person to whom principal is paid. If the Company shall default in the payment of any interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Bonds of 2013 Series are registered on the date of payment of such defaulted interest, or in accordance with the regulations of any securities exchange on which the Bonds of 2013 Series are listed.

Interest on the Bonds of 2013 Series will accrue from November 24, 2003, to the first interest payment date, and thereafter will accrue from the last interest payment date to which interest has been paid or duly provided for. In the event that any interest payment date is not a business day, then payment of interest payable on such date will be made on the next succeeding day which is a business day with the same force and effect as if made on the interest payment date (and without any interest or other payment in respect of such delay). "Business day" means any day, other than a Saturday or Sunday, which is not a day on which banking institutions or trust companies in the Borough of Manhattan, The City of New York are generally authorized or required by law, regulation or executive order to remain closed.

SECTION 2. The Bonds of 2013 Series, and the Trustee's certificate to be endorsed on the Bonds of 2013 Series, shall be substantially in the following forms, respectively:

and to pay interest on said principal sum semi-annually on May 15 and November 15 of each year (each an "interest payment date"), commencing May 15, 2004, at the rate of 4.95% per annum, until the principal hereof is paid or made available for payment. Interest on this Bond will accrue from November 24, 2003, to the first interest payment date, and thereafter will accrue from the last interest payment date to which interest has been paid or duly provided for. In the event that any interest payment date is not a business day, then payment of interest payable on such date will be made on the next succeeding day which is a business day with the same force and effect as if made on the interest payment date (and without any interest or other payment in respect of such delay). "Business day" means any day, other than a Saturday or Sunday, which is not a day on which banking institutions or trust companies in the Borough of Manhattan, The City of New York are generally authorized or required by law, regulation or executive order to remain closed. Both principal of, and interest on, this Bond are payable at the agency of the Company in the Borough of Manhattan, The City of New York.

Pursuant to Article Thirteen of the Senior Note Indenture, this Bond is issued to the Senior Note Trustee to secure any and all obligations of the Company under the Senior Notes of 2013 Series. Payment of principal of, or premium, if any, or interest on, the Senior Notes of 2013 Series shall constitute payments on this Bond.

Subject to the preceding paragraph, the interest payable on any interest payment date shall be paid to the persons in whose name this Bond registered at the close of business on the first calendar day of the month in which such interest payment date occurs (hereinafter called the "record date"); provided, however, that interest payable at maturity will be paid to the person to whom principal is paid. If the Company shall default in the payment of any interest due on such interest payment date, such defaulted interest shall be paid to the person in whose name this Bond is registered on the date of payment of such defaulted interest, or in accordance with the regulations of any securities exchange on which this Bond is listed.

Reference is made to the further provisions of this Bond set forth on the reverse hereof, and such further provisions shall for all purposes have the same effect as though fully set forth at this place.

This Bond is one of a duly authorized issue of Bonds of the Company (hereinafter called the "Bonds") in unlimited aggregate principal amount, of the series hereinafter specified, all issued and to be issued under and equally secured (except in so far as any purchase or sinking fund or analogous provisions for any particular series of Bonds, established by any indenture supplemental to the Amended Indenture hereinafter mentioned, may afford additional security for such Bonds) by a mortgage and deed of trust, dated July 1, 1936, executed by the Company to The Bank of New York as successor to The Riggs National Bank of Washington, D.C. (herein called the "Trustee"), as trustee, as amended by indentures supplemental thereto dated December 10, 1939, August 10, 1942, October 15, 1942, April 1, 1966, June 16, 1981, June 17, 1981, December 1, 1981, August 1, 1982, October 1, 1982, April 15, 1983, November 1, 1985, March 1, 1986, November 1, 1986, March 1, 1987, September 16, 1987, May 1, 1989, August 1, 1989, April 5, 1990, May 21, 1991, May 7, 1992, September 1, 1992, November 1, 1992, March 1, 1993, March 2, 1993, July 1, 1993, August 20, 1993, September 29, 1993, September 30, 1993, October 1, 1993, February 10, 1994, February 11, 1994, March 10, 1995, September 6, 1995, September 7, 1995, October 2, 1997 and March 17, 1999 (said mortgage and deed of trust, as so amended, being herein called the "Amended Indenture") and all indentures supplemental thereto, to which Amended Indenture and supplemental indentures reference is hereby made for a description of the properties mortgaged and pledged, the nature and extent of

the security, the rights of the owners of the Bonds and of the Trustee in respect thereto, and the terms and conditions upon which the Bonds are, and are to be, secured. To the extent permitted by, and as provided in, the Amended Indenture, modifications or alterations of the Amended Indenture, or of any indenture supplemental thereto, and of the rights and obligations of the Company and of the holders of the Bonds may be made with the consent of the Company by an affirmative vote of not less than 60% in amount of the Bonds entitled to vote then outstanding, at a meeting of Bondholders called and held as provided in the Amended Indenture, and by an affirmative vote of not less than 60% in amount of the Bonds of any series entitled to vote then outstanding and affected by such modification or alteration, in case one or more but less than all of the series of Bonds then outstanding under the Amended Indenture are so affected; provided, however, that no such modification or alteration shall be made which will affect the terms of payment of the principal of, or interest on, this Bond, which are unconditional, or which reduces the percentage of Bonds the affirmative vote of which is required for the making of such modifications or alterations.

This Bond is one of a series designated as the "First Mortgage Bonds, 4.95% Collateral Series due 2013" (herein called the "Bonds of 2013 Series") of the Company, issued under and secured by the Amended Indenture and all indentures supplemental thereto and described in the indenture (herein called the "New Supplemental Indenture"), dated as of November 17, 2003, between the Company and the Trustee, supplemental to the Amended Indenture.

Upon any payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of 2013 Series (and to the extent of such payment), whether at maturity or prior to maturity by redemption or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the Bonds of 2013 Series shall be deemed to be satisfied and discharged. The Trustee may at anytime and all times conclusively assume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the Bonds of 2013 Series, so far as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers stating (i) that timely payment of principal of or premium or interest on, the Senior Notes of 2013 Series has not been so made and (ii) providing the details of such nonpayment.

This Bond is redeemable (i) on such dates, in such principal amounts and at the redemption prices as the corresponding Senior Notes of 2013 Series and (ii) upon written demand of the Senior Note Trustee following the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of the corresponding Senior Notes of 2013 Series as provided in Section 802(a) or 802(b) of the Senior Note Indenture.

This Bond shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

As provided in Section 1308 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligation of the Company with respect to this Bond shall be deemed to be satisfied and discharged, this Bond shall cease to secure in any manner the

Senior Notes of the 2013 Series or any other senior notes outstanding under the Senior Note Indenture and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver this Bond to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

In case an event of default, as defined in the Amended Indenture, shall occur, the principal of all the Bonds at any such time outstanding under the Amended Indenture may be declared or may become due and payable, upon the conditions and in the manner and with the effect provided in the Amended Indenture. The Amended Indenture provides that such declaration may in certain events be waived by the holders of a majority in principal amount of the Bonds entitled to vote then outstanding.

No recourse shall be had for the payment of the principal of, or the interest on, this Bond, or for any claim based hereon or otherwise in respect hereof or of the Amended Indenture or any indenture supplemental thereto, against any incorporator, or against any stockholder, director or officer, past, present or future, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether for amounts unpaid on stock subscriptions or by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitution, statute or otherwise, of incorporators, stockholders, directors or officers being released by every owner hereof by the acceptance of this Bond and as part of the consideration for the issue hereof, and being likewise released by the terms of the Amended Indenture.

[END OF FORM]

SECTION 3. The Bonds of 2013 Series shall be registered Bonds without coupons in denominations of any multiple of \$1,000, numbered consecutively upwards from R-1.

SECTION 4. Until Bonds of 2013 Series in definitive form are ready for delivery, the Company may execute, and upon its request in writing the Trustee shall authenticate and deliver, in lieu thereof, Bonds for such series in temporary form, as provided in Section 9 of Article II of the Original Indenture as amended.

PART II.

Issue of Bonds.

SECTION 1. Except for Bonds of 2013 Series issued pursuant to Section 13 of Article II of the Original Indenture as amended, the principal amount of Bonds of 2013 Series which may be authenticated and delivered hereunder is limited to \$200,000,000 aggregate principal amount.

SECTION 2. Bonds of 2013 Series, in the aggregate principal amount permitted in Section 1 of this Part II, may at any time subsequent to the execution hereof be executed by the Company and delivered to the Trustee and shall be authenticated by the Trustee and delivered (either before or after the recording hereof) to or upon the order of the Company evidenced by a writing or writings, signed by its President or one of its Vice Presidents and its Treasurer or one

of its Assistant Treasurers, at such time or times as may be requested by the Company subsequent to the receipt by the Trustee of

(1) the certified resolution and the officers' certificate required by Section 3(a) and Section 3(b) of Article III of the Original Indenture as amended;

(2) the opinion of counsel required by Section 3(c) of Article III of the Original Indenture as amended;

(3) cash, if any, in the amount required to be deposited by Section 3(d) of Article III of the Original Indenture as amended, which shall be held and applied by the Trustee as provided in said Section 3(d);

(4) the certificates, instruments, opinions of counsel, prior lien bonds and cash, if any, required by Section 4 of Article III of the Original Indenture as amended, except that, as required by Part V of this Supplemental Indenture, property additions purchased, constructed or otherwise acquired on or before December 31, 1946 shall not be made the basis for the authentication and delivery of Bonds of 2013 Series; and

(5) the certificates and opinions required by Article XVIII of the Original Indenture as amended.

PART III.

Redemption and Cancellation of Bonds.

SECTION 1. Bonds of 2013 Series shall not be redeemable except on the respective dates, in the respective principal amounts and for the respective redemption prices that correspond to the redemption dates for, the principal amounts to be redeemed of, and the redemption prices for, the Senior Notes of 2013 Series. Otherwise, the Bonds of 2013 Series shall not be redeemable except as set forth in Section 2 herein.

In the event the Company redeems any Senior Notes of 2013 Series prior to maturity in accordance with the provisions of the Senior Note Indenture, Bonds of the 2013 Series in principal amounts corresponding to the Senior Notes of 2013 Series so redeemed shall be deemed to have been redeemed, and the Senior Note Trustee is required to deliver to the Company Bonds of the 2013 Series so redeemed, all as provided in Section 1308 of the Senior Note Indenture. The Company agrees to give the Trustee notice of any such redemption of the Senior Notes of 2013 Series on or before the date fixed for any such redemption.

SECTION 2. Upon the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of the Senior Notes of 2013 Series pursuant to Section 802(a) or 802(b) thereof, the Company shall redeem the Bonds of 2013 Series in whole upon receipt by the Company of a written demand (hereinafter called a "Redemption Demand") from the Senior Note Trustee stating that there has occurred under the Senior Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the Senior Notes of 2013 Series pursuant to Section 802(a) or 802(b) thereof, specifying the last date to which interest on such notes has been paid (such date being hereinafter referred to as the

"Initial Interest Accrual Date") and demanding redemption of the Bonds of 2013 Series. The Company waives any right it may have to prior notice of such redemption under the Original Indenture as amended. Upon presentation of the Bonds of 2013 Series by the Senior Note Trustee to the Trustee, the Bonds of 2013 Series shall be redeemed at a redemption price equal to the principal amount thereof plus accrued interest thereon from the Initial Interest Accrual Date to the date of the Redemption Demand; provided, however, that in the event of a rescission of acceleration of Senior Notes of 2013 Series pursuant to Section 802(e) of the Senior Note Indenture, then any Redemption Demand shall thereby be deemed to be rescinded by the Senior Note Trustee; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 3. As provided in Section 1303 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligations of the Company with respect to the Bonds of 2013 Series shall be deemed to be satisfied and discharged, the Bonds of 2013 Series shall cease to secure in any manner the Senior Notes of 2013 Series or any other senior notes outstanding under the Senior Note Indenture and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver the Bonds of 2013 Series to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

SECTION 4. All Bonds delivered to or redeemed by the Trustee pursuant to the provisions of this Part III shall forthwith be cancelled.

PART IV.

Additional Particular Covenants of the Company.

The Company hereby covenants, warrants and agrees that so long as any Bonds of 2013 Series are outstanding:

SECTION 1. The Company will not withdraw, pursuant to the provisions of Section 2 of Article VIII of the Original Indenture as amended, any moneys held by the Trustee as part of the trust estate in excess of an amount equal to the aggregate principal amount of such of the refundable Bonds as were theretofore issued by the Company; and that upon any such withdrawal by the Company refundable Bonds equal in aggregate principal amount to the amount so withdrawn shall be deemed to have been made the basis of such withdrawal.

SECTION 2. Property additions purchased, constructed or otherwise acquired on or before December 31, 1946 shall not be made the basis for the authentication and delivery of Bonds, or the withdrawal of cash, or the reduction of the amount of cash required to be paid to the Trustee under any provision of the Indenture.

PART V.

Amendment of Indenture to Permit Qualification
Under Trust Indenture Act of 1939.

The Company and the Trustee, from time to time and at any time, without any vote or consent of the holders of the Bonds of 2013 Series, may enter into such indentures supplemental to the Original Indenture as may or shall by them be deemed necessary or desirable to add to or modify or amend any of the provisions of the Original Indenture so as to permit the qualification of the Original Indenture under the Trust Indenture Act of 1939.

Except to the extent specifically provided herein, no provision of this Supplemental Indenture is intended to modify, and the parties hereto do hereby adopt and confirm, the provisions of Section 318(c) of the Trust Indenture Act of 1939 which amend and supersede provisions of the Original Indenture, as supplemented, in effect prior to November 15, 1990.

PART VI.

Amendment of Original Indenture

Sections 5 and 6 of Article XV of the Original Indenture as amended are hereby amended by changing the words and figures "eighty percent. (80%)" to the words and figures "sixty percent. (60%)" wherever in such Sections such words and figures occur.

PART VII.

The Trustee.

The Trustee hereby accepts the trusts hereby declared and provided and agrees to perform the same upon the terms and conditions in the Original Indenture as amended set forth and upon the following terms and conditions:

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or the due execution hereof by the Company or for or in respect of the recitals contained herein, all of which recitals are made by the Company solely. In general, each and every term and condition contained in Article XIII of the Original Indenture as amended shall apply to this Supplemental Indenture with the same force and effect as if the same were herein set forth in full, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Supplemental Indenture.

PART VIII.

This Supplemental Indenture may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original; but such counterparts shall together constitute but one and the same instrument.
